

# Giftime

*"He is no fool who gives what he cannot keep  
to gain what he cannot lose." - Jim Elliot*

How we invest our time directly reflects how we invest our life, and life is the greatest gift we can impart to another. How is your life being a gift to others?

- General words about giving:
  - *Giving is sacrificial* – Gifts are free to the recipient, and they cost the giver.
  - *God works through giving* – God gifted humanity with life
  - *Giving brings forth greater results than the gift itself* – Giving amplifies the work of God.

*"It is more blessed to give than to receive (Acts 20:35b)." - Jesus*

Time is not a physical object, you can't possess it, you can't save it, you can't reverse it, and you can't predict it--*yet it is the most valuable commodity you have*

For a thousand years in Your sight are like a day that has just gone by..." - Psalm 90:1-6 – NIV

.....  
"...I have come that they may have life, and that they may have it more abundantly." - John 10:10b – NKJV

**Time = Your Life** \* Where you invest your time, is also where you invest your life

## LIFETIME

It's not about having more time in your day, but having more life in your day  
It is not about adding more time to your life, but improving on the time you already have
